

St. Charles Hospital Donation

"Thanks to Max and Ben for all of our new music therapy equipment! Lee (Ilene) Morris, our music therapist, was so excited yesterday that she took the iPad home to start downloading songs and apps to use with the kids. Your gift was the focus of our monthly pediatric steering committee meeting yesterday. The staff had many ideas on how your generosity can help the children on our inpatient wards. Thanks again!:

Dr. Jennifer Semel

Medical Director

Department of Physical Medicine and Rehabilitation
